

## **Historical Museums and Exhibitions (Excursion Meeting of the Student Science Club)**

On December 11, 2025, in accordance with the Student Scientific Society's 2025 work plan, the regular meeting of the Q&A Student Scientific Club was held at Shymkent University's Law and History Department. The club meeting took place outside the university, as planned, in the form of a field trip. Students visited Tauelsizdik Park, the Regional Historical Archive, the Legal Documents Exhibition, archives, and museums. There, they learned about monuments of our country's historical significance and gained insightful information. In addition, various question-and-answer sessions, discussions, and exchanges of opinions were organized. The students gained a wealth of new knowledge during the field trip, their interest in history was further heightened, and they were deeply impressed.
